OpenDoors

Elizabeth Porter has copies of a petition launched recently by the charity, Open Doors, to draw attention to the persecution of Christians in Africa. Over 3,000 Christians in Nigeria were killed last year alone, more than in the rest of the world combined. 16.2 million African Christians have been displaced from their homes by violence and are living in IDP camps.

Church leaders in Africa have asked that we sign this petition, which will ultimately be presented to the United Nations (UN) and other Government bodies. They feel they are suffering a lot but no one is talking about it. You can sign the petition after the service. Thank you
