# Summer events for children and youth in our church and wider community

The summer holidays will look a bit different from normal this year and we are excited to share our plans with you.

We won't have a week of holiday club this summer and we appreciate that this may be disappointing news, however, we will focus on a few different kinds of events.

We are excited to host a youth **Ignite Worship** event with testimonies, preaching, prayer and even a BBQ if the weather allows. This worship event will start in the afternoon with food and social time for the youth followed by worship evening in the church. Invitations will go out to the community and many churches around the area.

We'll also have a lovely **Movie & Snacks** on the big screen afternoon for the children in the church. All kids from the community will be welcomed! We are hoping to choose a meaningful movie – such as The King of kings. Suggestions are welcomed!

In addition to these we'd love to have a **Pray & Catch** creative and playful morning for children. We'd explore and experience the power and beauty of speaking with God, and hearing from Him through a creative and playful approach.

There are so many opportunities to come on board with these events to bless the children and youth.

From set up, creating craft ideas, game ideas, serving food, spending time with the children and youth.

Please contact Kirsi if you are interested in making any of these events possible! Most importantly please join us in prayer for these events to be **way more** than just an activity.

Please pray that these events would lead children and young people into **revelation** of the fullness of our God –

His Word and His Spirit.

Thank you

Kirsi

## PARKING AT CHURCH

The bible teaches us to love our neighbours as ourselves and whilst parking may not have been at the forefront of the authors mind when writing it, we are asking that you consider this verse (Mark 12 v 31) in all possible contexts...including parking your car.

**L**eave clear space and do not park across or very close to our neighbours driveways or the church entrance.

**O**bserve the views of emerging vehicles and keep sightlines open.

**V**ehicles should not park on corners of roads e.g Kirk Road / Bath Street corner

**E**nsure you follow the Highway Code at all times.

As always if you are disbaled or have restricted mobility you can park on the east side of the church drive.

Blessings from Fetteresso Church.
